NEW YORK, Aug. 30-Factors which ment of recent weeks in the stock market were uppermost again today, prices of the mercurial Issues recordng gross declines of one to five points. Events over the week-end, especially he substantial recovery of clearing ouse actual cash reserves were mainly of favorable import, but seemed to be nullified by another flurry in the money market and renewed

weakness of foreign exchange. Signs of more stringent money conditions were forthcoming early in the session, call loans opening at 8 per cent, against the previous week's ruling quotation of 7 per cent. Long bethe final hour, 9 per cent was asked and this was advanced to 10 per cent, last week's maximum, at the

The PRINCIPLES of PROFITABLE INVESTMENT

This bound book of 64 pages will help any man or woman to choose investments more wisely. It explains the fundamentals of investing, yet it is not "heavy" or tiresome on the contrary it is intensely interesting. It will give you a "close-up" view of the stock market and explain how to make a substantial profit on listed stocks and bonds without the hazard of margin trading. "The Prin-ciples of Profitable Investment" will be mailed to you upon request.
